Dear United Nations

Topsil is to hand in its third annual COP reporting shortly, covering 2013. In our preparation process, however, our management has come to the conclusion that it is desirable that our reporting becomes aligned with the publication of our annual and corporate governance reports, respectively, this year to be released 25 March.

We hereby ask for adjustment of our COP reporting period to follow our other main publications of the year. As our other publications will be published end of March every year, yet on various dates, we ask for an extension until and including 31th March.

Venlig hilsen/Kind regards
