

Dear Mrs. Gordana Filipic,

Baxx Promotion A/S has been a member of the United Nations Global Compact since March 26th 2013. We support the ten principles of the UNGC with respect to human rights, labor, environment and anticorruption. We are committed to making the UNGC and its principles part of our operations, and look forward to reporting progress on a yearly basis.

In order to align our COP with the company's annual financial reporting following the cycle July 1st – June 30th, we are asking that our submission date for 2014 and subsequent years be changed from March 26th to August 1st. This will improve the information included in the report and as well as the relevance to our stakeholders. I have attached documentation for our reporting cycle.

We hope that you can accommodate our request and ask that you confirm that our reporting schedule can be adjusted for the year of 2014 and onwards, and that we continue to be listed as an active member of the United Nations Global Compact.

Best Regards,

Lene Brønden Christensen

Chief Operating Officer
