12th March 2014

Dear Sirs,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to be submitted by 12th March 2014. This is due to the fact that AAR's audit year ends on 31st December and there is not enough time to collate all necessary information for the previous year.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 31st March 2014 at the latest.

Sincerely yours

Mrs Maryjka Beckmann
UN Global Compact AAR Coordinator
