

6<sup>th</sup> March 2014

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises if a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to improvements we are currently making in running our business which will be important to include in our communication.

We hereby ask for an extension period in order to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 4<sup>th</sup> June 2014 at the latest.

Sincerely yours,

Mr Phil Horton
