To whom it may concern,

We recognize and respect that a key requirement for participation in the UN Global Compact is posting a report, Communication on Progress (COP), that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact.

Unfortunately we are late in creating, sharing and posting our COP report due to organisational changes and as a result, lack of time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website within *90 days from the COP deadline, March 26th, 2014.*

Sincerely yours,

*Ozan PINAR*  
Coordinator
