भारत हेवी इलेक्ट्रिकल्स लिमिटेड
Bharat Heavy Electricals Limited

Date: 23.06.2005

Bharat Heavy Electrical Limited (BHEL) - a Government of India enterprise, is committed to United Nation's Global Compact Programme and the set of core values enshrined in its ten principles on human rights, labour standards, environment and anti-corruption.

BHEL once again express its intent to support and advance G.C. principles within the company's sphere of influence and commit to make these principles part of the strategy, culture and day-to-day operations.

BHEL publicly advocates the principles of Global Compact programme, to its employees and all stakeholders besides, integrating them into company's development and training programmes.

The report on progress made by BHEL on each principle during the year 2004-05, is available on BHEL's web site (<http://www.bhel.com>). Company's Annual Report, Press Conferences and other public documents, are also incorporating BHEL's commitments towards G.C. programme.
