Dear Sir,

We recognized that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication of Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes. We are late in creating, sharing and posting our COP report due to our commitment to a very important issue in the RMG Industry for employee's safety and security.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 22 July 2014 at latest.

Sincerely Yours

Imtiaz Iqbal
