Mr. Boris Francioli,

Knowing the importance of participating in the Global Compact and how vital is the accurate documentation of the Communication on Progress (COP), we are writing you to ask for a deadline extension in order to have the needed time to gather and post the required information.

We have been informed that the report of Unilever Chile is in the state of "Non Communicating". Due to a communication error, we understood that the deadline for submitting the COP was in March 2009. We are clearly committed to fulfill this Global Compact requirement, however we request you a period of grace in order to complete the process. The COP will be sent no further than March 31 of 2009.

Best Regards,

Stephanie de La Mare
