Dear Sir/Madam,

RE: REQUEST FOR A GRACE PERIOD FOR SUBMISSION OF OUR COP

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to unforeseen changes in our management system that has made it impractical for us to compile the required COP report on time.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report should be posted on the UN Global Compact website by End of May.

We largely apologize for any inconvenience caused by the delay and do hope that you will bear with us as we streamline our management system and thus send our COP within the above stated timeframe.

Sincerely yours
