RE: COP – Grace Letter

To whom it may concern,,

Please accept this letter as our organizations plead for a grace period for our communication on Progress (COP) in reference to our participation in the Global Compact.

This is due to extensive structural business diversification and – resulting out of this – to changes in our reporting cycles. Our COP report will be submitted on our behalf not later than July 20th 2014.

We truly appreciate the consideration given to our request as

we greatly value our continued support of the UN Global Compact.

With best regards
