

30 April 2014.

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to to principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Duo to other activities we are late in creating, sharing and posting our COP report.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 01. August 2014.

Sincerely yours

Mr. Vanco Cifliganec
