

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to a solution taken to change our reporting period and would like to adjust our reporting deadline to be February 28 to align our CR reporting cycle with our COP deadline.

Our new COP report will be posted on the UN Global Compact website by February 28 2015 at the latest.

Sincerely yours,

Ms. Telenkova Natalia
