November 1, 2010

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

Our last COP submittal for 2008 was posted in November 2009. We intend to harmonize our annual reporting cycle to be based on current calendar years. In order to do so and be up to date with the intended cycle, our forthcoming report will combine both COP's of 2009 and 2010 in one submittal. Thereafter, future COP reports would be posted annually during the first quarter of the following calendar year.

Bearing on the above, we hereby ask for an extension period to defer the submission of our due COP report until the beginning of February 2011 in order to organize our reporting cycle accordingly.

Sincerely yours,

Tony Awad
