To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to revision of the it has taken a more time because myself and the staff in charge of this initiative have been abroad during the last two months working in an specific project.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact.

Our new COP report will be posted on the UN Global Compact website by August 6th 2014 at the latest.

Sincerely yours,

DANIEL HERNANDEZ PINZON  
FINANCIAL AND ADMINISTRATIVE MANAGER
