Dear Stakeholders

I am pleased to confirm that Clariant AG reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labor, Environment and Anti-Corruption.

On 26 March 2014 we have issued our Sustainability Report 2013, including reference to the UN Global Compact principles. In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact into our business strategy, culture and daily operations. We also commit to actively share this information with our stakeholders using our primary channels of communication.

Sincerely yours,

**Dr. Hariolf Kottmann**  
Chief Executive Officer
