To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report due to internal reestructurations, NEINVER has created new departments and has made changes on the responsibilities of the existing and new teams. Because of that, it is difficult to compile the information required as quick as we are used to.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by **September 20th of 2014** at the latest.

Sincerely yours,

Ms. Mónica Delgado Delgado
Corporate Communication & CSR Director
