GRACE LETTER

Dear COP team,

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We hereby ask for an extension period of approximately one month because our annual COP is linked to our annual Sustainability Report, which will be completed and published in our website until the end of June 2014.

Thank you in advance for considering this request.
We are looking forward to your reply.

Sincerely yours,

Maria Labrinou
