

ACHS – Asociación Chilena de Seguridad

28th may 2014

To our stakeholders:

We recognize that a key requirement to participate in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) report that consists of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We are late in creating, sharing and posting our COP report because we are elaborating our second integrated report and the process has been more difficult than planned.

We hereby ask for an extension period in order to be able to post a COP report that describes our company's efforts and progress to implement the principles of the UN Global Compact. Our new COP report will be posted on the UN Global Compact website by 15th July 2014 at the latest.

Sincerely yours,

Ms. Andrea Palazuelos Moubarak

Submanager of RSE
