

[UNIVERA]

[Date] 18 MAY 2010

To our stakeholders:

We recognize that a key requirement for participation in the UN Global Compact is the annual preparation and posting of a Communication on Progress (COP) that comprises of a statement of continued support for the UN Global Compact, a description of practical actions with regard to the principles of the UN Global Compact, and a measurement of outcomes or expected outcomes.

We intend to submit the COP report on a later date than required because we plan to include contents that reflect two-year activities (from January 2009 to December 2010), and to meet the time frame of the fiscal year as well.

We hereby ask for an extension period in order to be able to post a COP that describes our company's efforts and progress to implement the principles of the UN GlobalCompact. Our new COP report will be posted on the UN Global Compact website by March 1st, 2011 at the latest instead of December 1st 2010.

Thank you for your consideration.

Sincerely yours,
