Director

The Implementation of Global Compact Principles

Human Rights

- ▶ We have implemented:
 - Freedom to express employee's point of view toward any issue directly to the management.
 - No discrimination based upon race, religion and gender.
 - We never hired under age employee

Labor

- ▶ We have implemented:
 - Every company's regulation is always based on Government Regulations.
 - In patient medical insurance for employee and family, cover by "PT Jaya Proteksi" and Blue DOT network
 - Out patient medical for employee and family managed by internal company using reimbursement procedure
 - Soft Loan, maximum 5 years length, with no interest, for every employee who have been working minimum 3 years in a row.

Enviroment

- ▶ We have been doing:
 - Less and less paper to be use by using more web based application/forms.
 - Always use recycle paper for internal use.
 - Employee is allowed to work remotely therefore we help government to reduce gasoline use and less air pollutions.
 - Company own city car with economic fuel consumption

Anti Corruption

- ▶ We have implemented:
 - Audited Annual report
 - Use accounting service in order to do internal control for cross check
 - Apply Code of Conduct
