CEO STATEMENT

- In order to be able to sustain business and resource, as well as development the human-assets:
- Sword-of-Wisdom is committed to adhere and implement the GLOBAL COMPACT PRINCIPLES through out our daily business activities

Sword-of-Wisdom [SoW] Profile

- SoW started to share “The Lighthouse Vision” for People Enhancement since March 21, 2001
- Mostly on T3[Train-The-Trainer]+TOT[Training-of-Trainers] primarily addressed to youth and less-fortunate-communities, such as:
 - Pesantren, SMAsH[Super-Memory for Reciting the 99names of Allah], Students-camping-programs, for more than 1,709 trainees; trainers-to-be and teachers.

Sword-of-Wisdom Profile [2]

- -SLB[Handicaped-disabled educational school] Yayasan[social-foundations] located at remote places totalled to 126[institution, cooperatives /small companies] since Apr.2004 & progressing into People Empowerment since Sept.2007
- -We have strong faith that through SUCH Role within rural communities and remote area institutions people are empowered to flow with progress, to grow and thus glow.

Sword-of-Wisdom [3]

- SoW also believes that we sow the seeds of love, trust and care would allow the Nation to reap positive & productive abundance mentality within the next lustrum
- We are driven to empower & augment the youth capacity that would allow them to become the “Full-Fledged Personality” both personally & professionally which later become the well-developed adults thus ready to compete within the communities, industries & working places

Sword-of-Wisdom [4]

- We are able to equip and empower the people to undergo professional-assessments at BNSP-LSP: [Professional Certification National Body]-LSP [Professional Certification Learning & Assessment Centre] that allow them to earn wider & better opportunities in search of positions.
- To augment & equip the learning process SoW is launching “SCC: Breaking The Success Code] The Self Development & Assessment to become The Full-Fledged Personality & Professional Value

Sword-of-Wisdom [5]

- Sword-of-Wisdom is committed to take active part within the social communities not merely actively involved also more into interactively enhancing and empowering to the communities for better Indonesia in the very near future
 - Tatty S.B. Moeldradjat
 - The Top-Notch SCC-Scientific Analyst Expert
 - Founder & Chief Marketing Officer

The Statement of Continued Support

- In our consistent effort to enable SoW to develop the human-engine thus it would allow the current business entities to maintain and sustain the progress and growth which later would glow within the domestic and regional industry
