Dear Sir/Madam:

We would like to request you that the deadline of our COP submission will be extended.

We have been planning to submit our COP by March 18, 2011.  
However, a big earthquake hit us on March 11 in the northern part of Japan.  
Our preparation work was extremely delayed for this trouble.

We are informed that the extension of deadline will be usually 90 days.  
We are trying very hard to submit a COP as quickly as possible now.

We really appreciate it if you could accept our request.

Sincerely,

Shozo Mori
