

Belgrade, Republic of Serbia, 18th of March 2011

Grace letter

Respected Madam/Sir,

With this letter I would like to postpone a submission of Communication on progress report for Hypo Alpe-Adria-Bank a.d. Beograd, as a member of United Nations Global Compact.

We have prepared a document on our progress, and we would like to put it on appropriate design and translate it on English language, as a advanced step comparing to our last year edition.

In addition, I am attaching a document on Serbian language, which is a subject for translation on English language.

I hope that you will positively respond to this request, and that our obvious progress from last year will be shown and visible in the most appropriate way.

Thank you in advance,

Rade Šević
