STATEMENT OF CONTINUED SUPPORT

To our stakeholders:

Dear all,

As CEO of Target Motivation Srl, MICE company working worldwide for B2B and B2C events and marketing activities, I confirm that our company reaffirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption.

In this annual Communication on Progress, we describe our actions to continually improve the integration of the Global Compact and its principles into our business strategy, culture and daily operations. We also commit to share this information with our stakeholders using our primary channels of communication.

For internal issues this Statement of continued support has not been sent to UN for two years, and with this document we want to underline our full commitment to the ten fundamental principles of the UN GC, part of our vision, to guarantee a business that take care of the society, justice and the environment.

Sincerely yours,

Dott. Alessandro Sbrogiò
