Sub: Letter of Recommitment

Dear Secretary General

I am pleased to reconfirm that Xavier Institute of Management and Entrepreneurship (XIME), India supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anticorruption. With this commitment, we express our intent to advance these principles within our sphere of influence. We pledge to participate in and engage with the UN Global Compact in the following ways:

1. Education about topic related to the Global Compact.
2. Dissemination of the ten principles of the Global Compact.

We also commit to submit a Communication of Engagement (COE) that describes our Organization's efforts to support the implementation of the ten principles and to engage with the Global Compact.

We joined GCN during July 2014 and had been adopting the GCN principle in our various activities. Since there have been certain organizational changes and the Institute had been engaged in student admission activities during this time, the COE could not be uploaded. Infact we sought an extension of time of 90 days which is permissible. This we requested by sending a mail to Global Compact Network on 31st July, 2017 (Copy enclosed) as we could not upload it in the website.

Now we have attached the COE. It will also be uploaded in the website once we are enabled to do so.

Therefore we request you to permit us to re-join the UN Global Compact.

Sincerely yours,

Fr. Dr George Sebastian

Director
