Dear Mr. Secretary General,

I am pleased to reconfirm that **ASFEDEBI -ASOCIACIÓN de las FEDERACIONES DEPORTIVAS de BIZKAIA-** supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

The reason why we did not submit a Communication on Engagement in the last years is that:  
**Resignation of the former President.**

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

**ASFEDEBI**
