LETTER OF RECOMMITMENT

Dear Mr. Secretary-General,

I am pleased to confirm that Totalizator Sportowy Sp. z o.o. supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Totalizator Sportowy Sp. z o.o. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore we attach the valid Communication on Progress and we commit to report on progress annually according to the UN Global Compact COP policy.

I would also like to express my continued support for the UN Global Compact and renew our ongoing commitment to the initiative and its principles. Moreover, I would also like to inform that Totalizator Sportowy Sp. z o.o. failed to communicate on progress the current year due to unexpected delay in preparation of our social report. We will make any effort to avoid such situation in the future.

Sincerely yours,

Olgiero Cieslik
