Dear Mr. Secretary General,

As DenizTemiz Association/ TURMEPA, we became a member of the UN Global Compact in 2008. However, since we could not publish the UN Global Compact Communication on Engagement (COE) Report in the required period, we had to resign from our membership in 2019. Through this letter, we would like to request to affiliate to the UN Global Compact once more. Please find attached the pledge indicating our support to the ten principles of the UN Global Compact including Human Rights, Labour Standards, Environment and Anti-Corruption Principles and also our up to date UN Global Compact Communication on Engagement Report.

With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Semiha Öztürk  
General Manager
