Dear Mr. Secretary General,

I am pleased to confirm that Consejo Nacional de Ingeniería en Gestión Empresarial A.C. (CONIGE A.C.) supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways that seeks to promote knowledge and enhance talent, skills, abilities and knowledge through the activities of future Business Management Engineers throughout the country, we know that the society of the future needs prepared and capable people, for that reason we promote the Engineering Career in Business Management throughout the country, through the various business, social, governmental and academic sectors, through activities of social impact, business, academic and professional in its various branches.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Arnoldo Gonzalez Medina

Director
