Dear Mr. Secretary-General,

I am pleased to confirm that Superior Industries International Inc. supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. Superior Industries International Inc. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy.

This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).
- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Sincerely yours,

Majdi Abulaban
President and Chief Executive Officer

Sehr geehrter Herr Generalsekretär,

ich freue mich, Ihnen mitzuteilen, dass die UNI WHEELS AG die zehn Prinzipien des Global Compact im Bereich der Menschenrechte, Arbeitsnormen, Umweltschutz und Korruptionsbekämpfung unterstützt. Mit diesem Schreiben bekunden wir unsere Absicht, diese Prinzipien in unserem Einflussbereich zu fördern. Wir verpflichten uns dazu, den Global Compact und seine Prinzipien in die Unternehmensstrategie, die Unternehmenskultur und das Tagesgeschäft zu integrieren und uns an Kooperationsprojekten zu beteiligen, die die allgemeinen Ziele der Vereinten Nationen, insbesondere die Sustainable Development Goals, fördern. Die UNI WHEELS AG wird dieses Engagement klar gegenüber seinen Stakeholdern und der allgemeinen Öffentlichkeit kommunizieren.

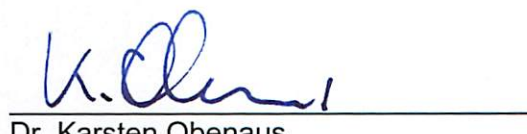

Wir erkennen an, dass eine entscheidende Bedingung unserer Teilnahme am Global Compact das jährliche Einreichen eines Fortschrittsberichts (Communication on Progress, COP) ist, der die Bemühungen unseres Unternehmens zur Umsetzung der zehn Prinzipien beschreibt. Wir unterstützen eine öffentliche Rechenschaftspflicht und das Gebot der Transparenz und verpflichten uns daher, innerhalb eines Jahres nach Beitritt zum Global Compact und anschließend jährlich über unsere Fortschritte zu berichten, im Einklang mit den COP-Richtlinien des Global Compact. Dies beinhaltet:

- Eine Erklärung des Vorstands zur fortlaufenden Unterstützung des Global Compact und Erneuerung der Verpflichtung des Unternehmens zur Initiative und ihrer Prinzipien.
- Eine Darstellung der praktischen Maßnahmen (z. B. Offenlegung von entsprechenden Richtlinien, Verfahren, Aktivitäten), die das Unternehmen ergriffen hat (oder beabsichtigt zu tun), um die Prinzipien des Global Compact in jedem seiner vier Themenbereiche (Menschenrechte, Arbeitsnormen, Umweltschutz und Korruptionsbekämpfung) umzusetzen.
- Eine Messung der Ergebnisse (d. h. Angabe, inwieweit die Vorgaben/Leistungskennzahlen oder andere qualitative oder quantitative Messungen erreicht wurden).

Hochachtungsvoll,
UNI WHEELS AG
