Dear Mr. Secretary General,

I am pleased to re confirm that Institute of Leadership Development supports the ten principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We regret that our organization was delisted by UNGC because of failure to submit our COE this happened because of over sight, change of staff and the pandemic situation but we would like to rejoin Global Compact.

We also pledge to participate in and engage with the UN Global Compact by promoting the ten principles of UNGC and helping organizations in aligning their strategies with SDGs.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore recommit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Sincerely yours,

Bushra Raza  
CEO
