Subject: Letter of Commitment UN Global Compact

Dear Mr. Secretary General,

I am pleased to confirm that the PharmAccess Group supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our partners, stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- Incorporate The Principles into our strategies and procedures to adopt responsible and sustainable business practices in our own operations
- Engage in public-private partnership to increase our reach and enhance our sustainable impact. Through these partnerships we will continue to implement integrated solutions to global challenges, with a focus on SDG 3 (Good Health and Wellbeing) and the broader Sustainable Development Goals (SDGs)
- Conduct and publish independent research to generate learnings needed to advocate for the sustainable scaling of the successful PharmAccess initiatives
- PharmAccess' country offices in Ghana, Nigeria, Kenya and Tanzania will engage with Global Compact Local Networks where feasible
- Participate where feasible in events and activities related to The UN Global Compact and its causes

As required, we will communicate every two years to describe the activities that our organization is doing to the support the efforts of the UN Global Compact.

Sincerely yours,

Monique Dolfing-Vogelenzang
Chief Executive Officer (CEO)
