Re: Application for Clear Channel International Ltd to join the UN Global Compact Network

Dear Mr. Secretary-General,

I am pleased to confirm that **Clear Channel Outdoor Holdings, Inc** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption as reflected in our Code of Conduct, policies and procedures and Company Values.

We are committed to continuing to make the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

With this letter, we express our intent to continue to implement those Principles.

We also recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress that describes our company's efforts to implement the Ten Principles. Clear Channel Outdoor Holdings, Inc agree to make a clear statement of this commitment to our stakeholders and the general public through our Annual Report within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy, including:

- A statement signed by our Chief Executive, expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles as well as this, our initial letter of commitment to join the UN Global Compact;
- A description of our practical actions (i.e., disclosure of any relevant policies, procedures, activities) that we have taken (or plans to undertake) to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption); and
- A measurement of outcomes (i.e., the degree to which targets were met, or other qualitative or quantitative measurements of results).

Yours sincerely,

William Eccleshare
CEO
Clear Channel Outdoor Holdings, Inc.
