## UN Global Compact

Oslo

20.05.2021

Dear Mr. Secretary-General,

In 2015 Møller Mobility Group joined the UN Global Compact and have since then tried to the best of our ability to implement and support the Ten Principles of the UN Global Compact on human rights, labour, environment and anti-corruption. Unfortunately we suffered from an internal incurie that led to a de-listing from UN Global Compact; which resulted that we now take action to re-join.

I am pleased to confirm that Møller Mobility Group still affirms its support of the Ten Principles of the United Nations Global Compact in the areas of Human Rights, Labour, Environment and Anti-Corruption. We are committed to making the UN Global Compact and its principles part of our strategy, culture and day-to-day operations of our company, particularly the Sustainability Development Goals.

We also commit to share this information with our stakeholders using our primary channels of communication.

Best regards  
Petter Hellman  
CEO
