Dear Mr. Secretary-General,

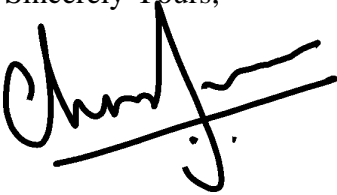

I would like to confirm that Sparetime Global Solutions (Pvt) Ltd would like to extend its extensive support to the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. This letter is a confirmation on the company's aim to fully implement these principles and effectively work towards achieving the same.

We commit to fully embody the UN Global Compact and its principles as part of our business objectives, growth strategies, work culture and business ethics. We will engage in various collaborative projects which will further take forward the Sustainable Development Goals of the United Nations. Sparetime Global Solutions (Pvt) Ltd will also make a statement of commitment to all our stakeholders as well as the general public.

We are aware that one of the crucial requirement for our participation in the UN Global Compact is the submission of a Communication of Progress (CoP) which clearly describes how Sparetime Global Solutions (Pvt) Ltd will effectively implement these Ten Principles, in support of Public accountability and transparency, we offer our full commitment to report on the progress made by our company within one year of joining the UN Global Compact and continuing annually in full accordance with the UN Global Compact COP policy which will include the following:

- A statement signed by the CEO of Sparetime Global Solutions (Pvt) Ltd offering its continued support of the UN Global Compact and renewing ongoing commitment to its principles.
- A full detailed report on the actions which the company has taken or plans to take in order to implement the UN Global Compact principles.
- How successful has the company been in achieving the targets and measuring using qualitative or quantitative methods.

Sincerely Yours,

Dunuhinga Chaminda DE SILVA
