Dear Mr. Secretary-General,

I am pleased to confirm that NC KTZ JSC supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment, and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles part of the strategy, culture, and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. NC KTZ JSC will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our Company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore committed to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy. This includes:

- A statement expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- A description of practical actions (i.e., disclosure of any relevant policies, procedures, activities) that the Company has taken (or plans to undertake) to implement the UN Global Compact principles in each of the four issue areas (human rights, labour, environment, anti-corruption).

- A measurement of outcomes (i.e., the degree to which targets/performance indicators were met, or other qualitative or quantitative measurements of results).

Previously, NC KTZ JSC has been a member of UN Global Compact, but was de-listed in 2021 due to late payment of member's contribution for the 2020. Currently, payment for 2020 was made on November 24, 2021 and thereafter will be made in a timely manner.

Despite of the failure to make the payment of annual financial contribution on time, NC KTZ JSC is continuing its activities in accordance with the principles of UN Global Compact. As a confirmation of our commitment, the Integrated Annual Report for 2020 including a Report in the field of sustainable development is published on our website: (https://www.railways.kz/articles/for-investors/godovye_otcheti). I hope that in the future membership of NC KTZ JSC in the Global Compact will allow bringing benefits to achieve Sustainable development goals.

Sincerely yours,

Mr. N.Sauranbayev
