Dear Secretary-General,

I am pleased to confirm that the National Bank of Ukraine supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and the fight against corruption. With this commitment, we express our intent to support the Global Compact in advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to promote the UN Global Compact Ten Principles and educate a variety of audiences about sustainability in financial sector.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Yours sincerely,

Kyrylo Shevchenko
Governor
