Dear Mr. Secretary-General,

I am pleased to confirm that Diaplous Maritime Services supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment, and anti-corruption. With subject Letter of Commitment, we express our aspiration in integrating and implementing those principles in all our multiple lines of business. Furthermore, we intend to support and promote the UN Sustainable Development Goals throughout our operations driven by transparency and collaboration spirit. We commit in participating in synergetic projects that broaden the extend and impact of the 10 Principles and 17 SDGs in international and local communities, so as to ensure future generations' welfare and resources.

We also commit to respect our participation in the United Nations Global Compact and seek small and large-scale solutions, within our sphere of influence, however it may be molded in the future. In respect to the above and as per UN Global Compact's requirements (COP Policy), Diaplous Maritime Services shall submit a Communication on Progress within one year after the date of our submission and annually thereafter, that will present our strategy, actions, and qualitative & quantitative data as a snapshot of our annual progress in relation to our Sustainable Development Objectives.

At last, as CEO of Diaplous Maritime Services, I underwrite in personally supporting and communicating our participation in UN Global Compact to all stakeholders and have overview of our actions towards the Sustainable Development Objectives, our Policies and Procedures.

Sincerely yours,

Emmanouil Lazaridis
CEO
