Dear Mr. Secretary General,

## UN GLOBAL COMPACT

I am pleased to confirm that the **Higher Education Loans Board, Kenya** [[www.helb.co.ke](http://www.helb.co.ke)] supports the ten principles of the UN Global Compact with respect to human rights, labor, environment, and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following ways:

- Implement the UN Global Compact's Ten Principles through our strategy and operations.
- Encourage the businesses and stakeholders we interact with to participate in the UN Global Compact.
- Support relevant activities that contribute to the Global Compact Trust Fund.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Yours Faithfully,

**CPA CHARLES RINGERA**  
**CHIEF EXECUTIVE OFFICER & BOARD SECRETARY**
