Dear Mr Secretary General,

RAWAJ Institute is pleased to recommit to the United Nations Global Compact (UNGC) and its Ten Principles in the areas of human rights, labor, environment, and anti-corruption. RAWAJ Institute became a signatory to the UN Global Compact in March 2018.

It is unfortunate that delays to the COE submission process was delayed due to staff turnover and the restructuring of the institute's business model post COVID-19 pandemic. RAWAJ Institute remains firmly committed to advancing the goals of the UNGC and deeply regrets that its failure to submit its Communication of Engagement might lead to it being listed as expelled from the institution.

RAWAJ Institute is a new micro non-profit that was incorporated with minimal resources. We request that the United Nations consider our circumstances and accept our request to re-join this significant institution. commit to advance the goals of the UNGC throughout initiatives and action plans. We also pledge to significantly contribute to igniting the Global Compact Kuwait Network and reporting on our achievements and upcoming engagement with the UNGC.

Our first Communication on Engagement is ready to be submitted and summarizes the key practical actions of the institute that has taken to support the Global Compact principles and engage with the initiative. We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy

Yours sincerely
