Dear Secretary-General

I am pleased to confirm that District Australia Pty Ltd supports the Ten Principles of the UN Global Compact to meet fundamental responsibilities in the areas of Human Rights, Labour, Environment and Anti-Corruption.

With this statement, District express our commitment to making the UN Global Compact and its principles part of the strategy, culture and daily operations of our company, and to engage in collaborative projects which advance the broader development goals of the United Nations, particularly in the Sustainable Development Goals. District Australia Pty Ltd will make a clear statement of this commitment to our stakeholders and the general public.

We recognise that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) to communicate our progress on implementation of the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy.

- A statement signed by the Managing Director expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate to our initial letter of commitment to join the UN Global Compact.

- The completion of the online questionnaire of the Communication on Progress (CoP) through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations and contribute to the United Nations goals, particularly the Sustainable Development Goals.

Yours sincerely,

**Giuseppe Merlino**  
**Managing Director**
