Dear Secretary-General,

I'm Pleased to confirm that Nasrat Shirzai ICT Services Company support the ten principles of the United Nations Global Compact on Human rights, Labour, environment and Anti-corruption. With this communication, we express our commitment to making UN Global Compact and its principles part of the strategy, culture and day to day operation of our company, and to engaging in the collaborative projects which advance the broader development goals of the United Nations, particularly the sustainable development Goals, Nasrat Shirzai ICT Service Company will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement of the participation in the UN Global Compact is the annual submission of the communication on the progress (CoP) that describe our company's efforts to implement the Ten principles, we support public accountability and transparency and therefore commit to report on progress starting the calendar year after joining the UN Global compact and annually thereafter according to the UN Global compact CoP policy, this Includes:

A Statement signed by the Chief Executive expressing continued support of the UN Global Compact and renewing out ongoing commitment to the initiative and its principles, this is separation from our initial letter of commitment to join the UN Global Compact.

The completion of the online questionnaire of the commitment on the progress though which we will disclose our company continues efforts to integrate the ten principles into our business strategy, culture and daily operation, and contribute to United Nations Goals, particularly the sustainable development Goals

Sincerely yours

Waheed Shirzai
