Dear Mr. Secretary General,

IRDA's Letter of Commitment to UN Global Compact Initiative

The subject above is referred to.

1. I am pleased to confirm that Iskandar Regional Development Authority, Malaysia supports the ten principles of the UN Global Compact with respect to human rights, labour, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact in advancing these principles and will make a clear statement of this commitment to our stakeholders and general public.
2. We also pledge to participate in and engage with the UN Global Compact where appropriate and feasible – through, for instance, participation in Global Compact Network Malaysia's activities and initiatives.
3. We recognise that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organisation's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Yours sincerely,
ISKANDAR REGIONAL DEVELOPMENT AUTHORITY
