We also pledge to participate in and engage with the UN Global Compact in the following way(s):

- Engage in the conversation on how UNGC can promote policies that encourage and support SMEs to engage with all aspect of the SDGs
- Encourage our members to join UN global compact
- Support UNGCs events nationally and locally

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within *two years* of joining the Global Compact and *every two years* thereafter according to the Global Compact COE policy.

Your Sincerely,
