Dear Secretary General.

I am pleased to confirm that **MAS ALLA DE TUS EXPECTATIVAS SA DE CV** supports the Ten Principles of the United Nations Global Compact on Human Rights, Labor, the Environment and the fight against Corruption.

With this communication, we express our commitment to make the United Nations Global Compact and its principles part of the strategy, culture and daily operations of our company, and to participate in collaborative projects that promote the most important development objectives of the United Nations, in particular the Sustainable Development Goals. **MAS ALLA DE TUS EXPECTATIVAS SA DE CV** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the U.N. Global Compact is the annual submission of a Communication on Progress (CoP) outlining our company's efforts to apply the Ten Principles. We support public accountability and transparency and are therefore committed to reporting on progress beginning the year following accession to the U.N. Global Compact and each year thereafter, in accordance with CoP policy of the United Nations Global Compact. This includes:

- A signed declaration expressing continued support for the U.N. Global Compact and renewing our ongoing commitment to the initiative and its principles. This is independent of our initial letter of commitment to adhere to the U.N. Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will communicate the continuous efforts of our company to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to the objectives of the United Nations, in particular the Sustainable Development Goals.

Sincerely

Jose Rene Serrano Velazquez
Administration Counsel President
