Respected Mr. Secretary-General,
Greetings from NTPC Ltd.

I am pleased to confirm that NTPC Ltd. supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our intent to implement those principles. We are committed to making the UN Global Compact and its principles as a part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. NTPC Ltd. will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress within one year of joining the UN Global Compact, and annually thereafter according to the UN Global Compact COP policy.

We would also like to inform you that we have missed the deadline for submitting the COP as we somehow overlooked the date of submission, we thus request you to consider the document for submission.

With Warm Regards,

Yours Sincerely,

(Nilesh Kumar)
