Secretary-General
United Nation
New York, NY 10017
USA

Dear Mr. Secretary General,

I am pleased to confirm that **M/s. Fleur Himalayan Ltd.** supports the ten principle of the Global Compact with respect to human rights, labor, environment and anti- corruption.

With this communication, we express our intent to advance those principles within our sphere of influence. We are committed to making Global Compact and its ten principles part of the strategy, culture and day to day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **M/s. Fleur Himalayan Ltd.** will make clear statement of this commitment to our stakeholders and the general public.

We recognize that the key requirement for participation in the Global Compact is the annual submission of a Communication on Progress (COP) that describes our company's efforts in implementing the ten principles. We support public accountability and transparency, and annually thereafter as per the Global Compact COP policy. This includes:

- A statement signed by the chief executive expressing continued support for the Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join Global Compact
- A description of practical actions (i.e. disclosure of any relevant policies, procedures, activities) that the company has taken (or plans to undertake) to implement the Global Compact principles in each of the four issues areas (human rights, labor, environment, anti-corruption)
- A measurement of outcomes i.e. the degree to which targets/ performance indicators were met or other qualitative or quantities measures of results.

M/s. Fleur Himalayan Ltd was delisted because a designated person reporting for Global Compact Nepal at our organization left the organization and we could not continue further. In this regard, **M/s. Fleur Himalayan Ltd.** would like to re-register to be a part of UNGC.

Sincerely yours,

Ajay Bahadur Pradhanang
Managing Director
