Dear Secretary General

I am pleased to confirm that CGT & Associates Chartered Accountants supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment, and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. CGT & Associates will make a clear statement of its commitment to our stakeholders and the general public.

We recognize that a key requirement in the UN Global Compact is the Annual Submission of a communication on Progress (CoP) that describes our firm's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the Managing Partner expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles.
- The completion of the online questionnaire of the CoP through which we will disclose our firm's continuous efforts to integrate the Ten Principles into our business strategy, culture, and daily operations and contribute to United Nations goals, particularly the Sustainable Development Goals.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'S. Rakubutu', written over a horizontal line.
