Dear Secretary-General,

I am pleased to confirm that Excellent Facets Inc. strongly believes in the Ten Principles of the United Nations Global Compact on human rights, labor, environment and anti-corruption.

By virtue of sharing this letter, we express our commitment to making the UN Global Compact and its principles a core part of our company's culture and daily business activity. We also commit to taking on projects that advance the United Nations' broader development goals, namely its Sustainable Development Goals. To this end, we have several initiatives in place that provide measurable positive impact in line with the Sustainable Development Goals.

Excellent Facets Inc. will make a clear statement of this commitment to our stakeholders, both internal and external, as well as the public.

To participate in the UN Global Compact, we recognize that we must submit an annual Communication on Progress (CoP) that describes Excellent Facets' efforts to implement the Ten Principles. We commit to report on our progress annually starting the calendar year after joining the UN Global Compact. We also commit to reporting on our progress annually thereafter per the UN Global Compact CoP policy. We support transparency and accountability. Our commitment includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Sincerely yours,

Mr. Deepak Sheth
Chief Executive Officer & President
