Dear Mr. Secretary General,

We are pleased to confirm that Project Management Institute Khaleeji FZ-LLC ("PMI Khaleeji"), an indirect subsidiary of Project Management Institute, Inc. ("PMI"), supports the United Nations Global Compact's Ten Principles concerning anti-corruption, labor, human rights, and the environment.

With this commitment, PMI Khaleeji expresses its intent to support the Ten Principles of the United Nations Global Compact and advance the United Nations 17 Sustainable Development Goals. We will clearly state our obligations to our international community and the public.

We pledge to participate and engage with the United Nations Global Compact UAE Network in the following manner:

- Engage and participate in United Nations Global Compact UAE Network events via speaking opportunities and sharing content that supports the Ten Principles of the United Nations Global Compact and the United Nations 17 Sustainable Development Goals.
- Raise awareness of the United Nations Global Compact UAE Network to PMI's local Middle East & North Africa (MENA) members and volunteer community through PMI regional events, global brand campaigns, partnerships, product offerings and thought leadership.
- Engage young leaders and drive sustainability innovations and capabilities building by actively participating and supporting the United Nations Global Compact initiatives through PMI Youth focused programs (PMI Educational Foundation), PMI ESG resource hub to drive positive change, and supporting the national visions of the region.
- Generate awareness and gather a diverse group of like-minded organizations (for and/or not-for-profit), partner with third party governments and authorities to develop projects and programs aimed at delivering a societal, social, or sustainability related impact.
- Continue to align with PMI's Diversity, Equity & Inclusion Program with the Ten Principles and 17 Sustainable Development Goals by developing programming and initiatives that enable our stakeholders to support women empowerment.
- Nurture and expand PMI Hours for Impact program in the MENA region to support the United Nations 17 Sustainable Development Goals.
- In support of the United Nations Sustainable Development Goal number 17 (Partnerships for the Goals) and the United Nations Global Compact UAE Network, PMI Khaleeji has taken a collaborative approach to raise awareness of sustainability and to develop global and regional partnerships that enable the project management community to make sustainability a reality, by building the capabilities of future professionals and young leaders.

PMI Khaleeji recognizes that a critical requirement for participation in the United Nations Global Compact is the submission of a Communication of Engagement that describes our organization's efforts to support implementing the Ten Principles and engaging with the United Nations Global Compact.

We support transparency, as well as public accountability, and commit to reporting on any progress within two years of joining the United Nations Global Compact and every two years after that according to the Commitment of Engagement policy.

Sincerely yours,
